Details:

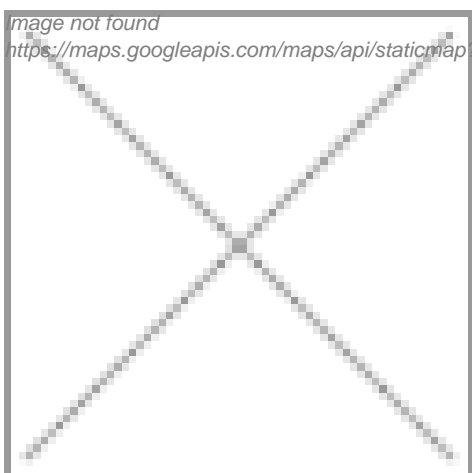

The flat is part of a brand new, premium building in Bucharest, ONE Herastrau Towers which was completed in 2021.

Situated on the 2nd floor, it benefits of a large terrace of 24 sqm, it's bright and furnished in a contemporary style, with top quality furniture and appliances. The property benefits of 2-Daikin air conditioning with VRV system, floor heating, solid wood flooring, ventilated facade and Schuco carpentry as well as 24/7 security and video surveillance system.

An underground parking space is included in the price.

Surroundings:

This property has a perfect location, within few minutes walking to Herastrau Park, Aurel Vlaicu metro station or Promenada Mall. Herastrau is the biggest park in Bucharest with a lovely lake surrounded by terraces and restaurants like Casa di David, La Fattoria or Isoletta. Playgrounds for kids or tennis courts are also available inside the park and for training and swimming you can choose World Class at Le Club. Shopping for groceries is convenient with Mega Image by the corner as well as Carrefour or Lidl.

2.250 Euro/month
