 - Build Area: 192 sq.m.

Details:

Beautiful three bedroom flat situated in one of the nicest and well located residential compounds in Bucharest. The apartment has been recently renovated and modernized, all the appliances are new, the decoration and lightning fixtures are carefully chosen to blend in harmoniously with the design. Among the benefits of the compound is the security service available 24h/day, reception, a small gym, underground parking and an interior courtyard where kids can play or ride a bike safely.

Surroundings:

Dorobanti Capitale is definitely the most charming area in Bucharest, preserving the elegance and fame of the last century due to buildings of high architectural value and streets surrounded by trees. The major advantage is that you have access to many facilities, a wide variety of restaurants and cafes such as DonCafe, Pata Negra, Ai Sushi Bar, supermarkets and the Dorobanti agro-food market, shops, banks and pharmacies, all within short walking distance. Victoriei Metro Station is just 10 minutes away.
